Terms and Conditions of Consultant Options

The Consultant Options will entitle the optionholders to subscribe for Shares in the Company on the following terms:

(a) Issue price

Each Consultant Option is issued for nil consideration.

(b) Exercise price

Each Consultant Option shall entitle the optionholder to acquire one fully paid ordinary share in the capital of the Company upon exercise and payment of an exercise price of 30 cents ("the Exercise Price").

(c) Expiry date

Subject to certain provisions herein providing for earlier lapse in certain circumstances, the Consultant Options will expire on the Expiry Date for that class of Options. The Expiry Dates for the different classes of Consultant Options are as follows:

Golden Options	48 calendar months after the date of issue
Fox Options	48 calendar months after the date of issue
Nero Options	48 calendar months after the date of issue
O'Hara Options	48 calendar months after the date of issue
Thomas Options	48 calendar months after the date of issue
Airmax Options	48 calendar months after the date of issue
KMB Options	48 calendar months after the date of issue
Sable Options	48 calendar months after the date of issue

(d) Certificate

A certificate will be issued for the Consultant Options and sent to the optionholder together with the terms and conditions of the Consultant Options and a written notice that is to be completed when exercising Consultant Options.

(e) Consultant Options not listed

The Consultant Options will not be listed for official quotation on the ASX.

(f) Consultant Options not transferable

For Nero, Fox, O'Hara, Thomas, Airmax, KMB, Sable and Golden Options, subject to the Listing Rules of the ASX, up to 300,000 of the Consultant Options issued to each of the Consultants can be transferred to a Nominee of the optionholders (as defined in Section (n) Interpretation), but otherwise are not transferable, without the prior written approval of the Directors.

(g) Exercise

Subject to m) below, the Consultant Options may be exercised by notice in writing to the Company ("the Exercise Notice"), delivery of the Consultant Option certificates and payment of the Exercise Price to the Company at any time between the date of issue and the Expiry Date ("the Exercise Period"). The Consultant Options may be exercised in one or more lots, of not less than 10,000 Options at any one time, on different occasions during the Exercise Period. Within 5 business days of receipt of the "Exercise Notice" and Consultant Option certificates and payment of the "Exercise Price", the Company will allot the corresponding number of fully paid ordinary shares to the optionholder, procure the issue a statement of holding for the shares and apply for the shares to be listed on the stock exchanges on which the Company is listed. The shares issued as a result of exercise of the Consultant Options shall rank equally in all respects with the other issued fully paid shares in the Company.

A holder of Consultant Options originally issued to a Specified Consultant or a Nominee of a Specified Consultant intending to exercise any Consultant Options with a view to selling all or a substantial number of the resultant Shares within two months following exercise will not exercise such Consultant Options (or sell any resultant Shares within 2 months of exercise) unless the holder has first received confirmation from the Board that no capital raising or other material corporate activity is proposed or expected during such two month period.

(h) New share issue

If the Consultant Options are exercised before the record date of an entitlement, the optionholder can participate in a pro rata issue to the holders of the underlying securities in the Company. The Company must notify the optionholder of the proposed issue at least 9 business days before the record date. Optionholders do not have a right to participate in new share issues without exercising their Consultant Options in accordance with Listing Rule 6.19.

(i) Bonus Issue

If, from time to time, before the expiry of the Options the Company makes a pro rata issue of Shares to Shareholders for no consideration, the number of Shares over which the Options are exercisable will be increased by the number of Shares which the optionholder would have received if the Option had been exercised before the record date for calculating entitlements to the pro rata issue.

(j) Reorganisations

In the event of any reorganization of the issued capital of the Company, the Consultant Options will be reorganized by the Company in accordance with the Listing Rules (including without limitation by changing the number or exercise price for the Consultant Options) in such manner as may be required by the Listing Rules.

(k) Change of Consultant Option's exercise price or the number of underlying securities

- (i) In the event that a pro rata issue (except a bonus issue) is made to the holders of the underlying securities in the Company, the exercise price of the Consultant Options may be reduced according to the following formula:

$$O' = \frac{O - E[P - (S + D)]}{N + 1}$$

- O' = the new exercise price of the Consultant Option;
O = the old exercise price of the Consultant Option;
E = the number of underlying securities in the Company into which one option is exercisable;
P = the average market price per security (weighted by reference to volume) of the underlying securities in the Company during the five (5) trading days ending on the day before the ex rights date or ex entitlements date;
S = the Subscription price for a security under the pro rata issue;
D = the Dividend due but not yet paid on the existing underlying securities (except those to be issued under the pro rata issue);
N = the Number of securities with rights or entitlements that must be held to receive a right to one new security in the Company.

- (ii) The number of shares to be issued pursuant to the exercise of Consultant Options will be adjusted for bonus issues made prior to exercise of Consultant Options. The effect will be that upon exercise of the Consultant Options the number of shares received by the optionholder will include the number of bonus shares that would have been issued if the Consultant Options had been exercised prior to the record date for bonus issues. The exercise price of the Consultant Options shall not change as result of any such bonus issue.

(l) Dividends

The Consultant Options carry no entitlement to participate in dividends until shares are allotted pursuant to the exercise of the Consultant Options.

(m) Cessation of engagement of the Consultant or death of the optionholder.

- (i) In the event of the death of a Relevant Person in relation to a parcel of Consultant Options then such parcel of Consultant Options shall remain in full force and effect for the full term up until the Expiry Date and may be exercised at any time up to the Expiry Date by the holder or a deceased optionholder's legal personal representative.
- (ii) Subject to paragraph (iii), (iv) and (v) below, in the event of a Specified Consultant ceasing to be engaged by the Company or any of its subsidiaries as a consultant one half of the Consultant Options issued to that Specified Consultant or its Nominee shall remain in full force and effect for the full term up until the Expiry Date and the other half of such Consultant Options may only be exercised by the optionholder within 3 months of such Specified Consultant ceasing to be so engaged and immediately following that 3 months shall forthwith lapse and have no

further effect unless otherwise determined by the board of directors of the Company.

- (iii) If at the time a Specified Consultant ceases to provide consulting services to the Company, the Relevant Person in relation to the Consultant Options issued to such Specified Consultant (or its Nominee) commences providing consulting services to the Company or becomes an employee of the Company then for then for the purposes of (ii) above, that Specified Consultant will be deemed to continue to provide consulting services to the Company for such period as such Relevant Person continues as a consultant or employee of the Company and accordingly all such Consultant Options will remain in full force and effect during such period.
- (iv) In the event of a Specified Consultant ceasing to be engaged as a consultant or deemed consultant by the Company or any of its subsidiaries following the takeover of the Company or following a Change in Control, all Consultant Options issued to such Specified Consultant or its Nominee shall remain in full force and effect for the full term up until the Expiry Date.
- (v) In the event that a Specified Consultant ceases to offer full time services to the Company or any of its subsidiaries as a consultant in the manner provided in the Specified Consultants Contract within one year of the issue of any Consultant Options to such Specified Consultant or its Nominee, then all such Consultant Options will immediately and automatically lapse.
